Equipping Leaders to Support Hurting Families

Presented by Michael Bowen, Chaplain and President of Multiply Ministries - MultiplyMinistries.org

The God of All Comfort

2 Corinthians 1:1-11

Use your experience of God's faithfulness to point others back to Him during times of trial.

Bear One Another's Burdens

Galatians 6:2

Come alongside those who are suffering. We should not be alone in suffering, but rather the Church should surround hurting people with support.

Rejoice with those who rejoice, weep with those weep.

Romans 12:12-15

We are called to be empathetic to those who hurt. Be present. Actively listen.

Observe and Minister

Be aware of all the members of the family and their needs.

As we carry the burdens of others, we must remember to unpack the bags before we get home.
